GOOD FOR EWING.

Mr. Ewing, we congratulate you
upon the wisdom displayed, for once
at least, in giving heed to the peo-
ple's demands. There was nothing
else to do, if the association was to
be kept alive. Having reached a
point where the officials are willing
to concede to the members of the
association the right to have a voice
in the management of their own in-
terests, a great advance has been
made in the work of reforming the
abuses that have grown up in the
organization. The Hopkinsville con-
ference may save its life.

Nettie Louise Smith, a divorcee,
violated an Illinois court order by
marrying again inside of a year, and
the judge has set aside the decree,
leaving her with two husbands on
her hands. She was married in Pa-
ducah two weeks ago to A. A. Shat-
ta. The cruel judge will doubtless
scatter their hopes of wedded bliss.

President Roosevelt was in Ken-
tucky for three hours yesterday, and
assisted in honoring the memory of
Abraham Lincoln at Hodgenville.
The celebration was marred by in-
element weather, but a great crowd
attended. Gov. Willson and ex-Gov.
Folk were among the speakers.

LOCAL BAND

house, many being unable to get

alized. The principal contest was
between Kentucky and Tennessee,
Kentucky winning out with the
Hopkinsville delegation, composed
of the following: W. F. Randle, T.
E. Bartley, J. G. Hord, Frank L.
Waller, Robert McCarroll, Bailey
Waller, J. M. Starling and Jewell

Points About People

INDIGESTION ENDS

Misery From Your Disorder-
ed Stomach Goes in Five
Minutes.

YOUNG—Daniel J. Young and
wife will move to Los Angeles, Cal.,
in the early spring, where Mr.
Young will connect himself with a
leading business house on May 1st.
Mrs. Young and the baby will go in
a few weeks, as she finds the Ken-
tucky climate does not agree with
her health, being so different from
that of her native Southern Califor-
nia. Mr. Young is at present con-
nected with The Mogul Wayon
Works as book keeper.

ROGERS—Jas. B. Rogers, of the
firm of Waller & Rogers, will soon
move to Paducah, having purchased
an interest in a business there. Mr.
Rogers has been a citizen of Hop-
kinsville for 18 years and is a char-
acter of citizen that the city has
to give up. His course as a busi-
ness man has made for him many friends
and general regret will be felt at
the departure of Mr. Rogers and his
family, which consists of his wife
and accomplished daughter, Miss
Sara Rogers.

BAILEY—Deputy Grand Exalted
Ruler Smith T. Bailey, of Louisville,
has written that he will be unable to
accept the invitation to be one of
the speakers at the Elks anniversary
celebration Monday night.

MELLON—Norman Mellon, who
went to Paducah last fall to work
for the American Snuff Co., has
returned to this city to resume
his place as book-keeper in the fac-
tory here, which is about to resume
business.

DIETRICH—Karl L. Dietrich, son
of Prof. C. H. Dietrich, has been
transferred from Milton, Pa., to
New York City, where he will have
a responsible position in the office of
the American Car and Foundry Co.
The change carries with it an in-
crease almost doubling his salary.
His Hopkinsville friends will be
pleased to hear of his success in the
East.

CLARK—Former Councilman J.
Miller Clark has sold out his grocery
at the corner of Virginia street and
Avenue A, and is out of the grocery
business for the present.

WICKS-HORD.

Mr. Iredell Hart Wicks and Mrs.
M. E. Hord, of Crofton, were on
yesterday granted a license to wed.
The wedding will occur at the home
of the bride Monday. Rev. P. P.
Gladdish will perform the ceremony.
Mr. Wicks is a well known and popu-
lar North Christian citizen and is a
widower. The bride-to-be is a very
popular and attractive widow.

Equity Sales.

Manager H. H. Abernathy, of the
Equity warehouse, sold 21 hogheads
of 1908 tobacco the first of the week
at satisfactory prices. It was mostly
half-beaten trash and brought from
\$4.50 to \$6.50 per hundred.

Death of Rev. Bowles.

Rev. John Bowles, a brother of
Mr. W. R. Bowles, of this city, died
one day this week at his home near
Campbellsville, Ky.

You can eat anything your stom-
ach craves without fear of a case of
indigestion or Dyspepsia, or that
your food will ferment or sour on
your stomach if you will occasionally
take a little Diapiesin after eating.

Your meals will taste good, and
anything you eat will be digested;
nothing can ferment or turn into
acid or poison or stomach gas, which
causes Belching, Dizziness, a feeling
of fullness after eating, Nausea, In-
digestion (like a lump of lead in the
stomach), Biliousness, Heartburn,
Water Brash, Pain in stomach and
intestines or other symptoms.

Headaches from the stomach are
absolutely unknown where this ef-
fective remedy is used. Diapiesin
really does all the work of a healthy
stomach. It digests your meals when
your stomach can't. Each triangle
will digest all the food you can eat
and leave nothing to ferment or
sour.

Get a large 20-cent case of Pape's
Diapiesin from your druggist and
start taking today and by tomorrow
you will actually brag about your
healthy, strong stomach, for then
you can eat anything and everything
you want without the slightest dis-
comfort or misery, and every par-
ticle of impurity and Gas that is in
your stomach and intestines is going
to be carried away without the use
of laxatives or any other assistance.

Christ." Strangers are most cor-
dially invited.

Foster will direct the music of the
day and give a solo at night. Mrs.

ing. The choir will render some
special music at both preaching ser-
vices. A quarter of an hour will be
spent in a song service at night, be-
ginning at 7 o'clock. All are heartily
invited to these services.

Fair Warning.

The tobacco meeting last Monday
may not have been as peaceable as
the average Sunday school conven-
tion, but the citizen who permits
this or anything else to interfere
with the success of the association
will not be forced to live long to re-
spect his action. —Cadin Record.

that some one will be left out in the
cold. Think and see if you believe
it advisable for Trigg county to oc-
cupy that position again.

Finally, believing as I do that forty
to sixty per cent. of the 1908 crop
of tobacco grown in Trigg county
(and I base my opinion upon the ad-
vice of two of the best posted mem-
bers of the Trigg county branch of
the organization) is not pledged to
the Association at all, and that it
has no means by which to require
that tobacco be sold to and by the
organization, that at least fifty per
cent. of the 1908 crop will be sold
loose; and believing further that it
is better for the Association to con-
trol the sale than for it to be sold
on the outside, I appeal to you as
reasoning, sound-thinking men to
support these resolutions and join us
in an effort to induce our County
Chairman to use his influence with
the Executive Board to the end that
they may grant the request we have
made.

SAVED FROM AN OPERATION

By Lydia E. Pinkham's
Vegetable Compound

Louisville, Ky. — "Lydia E. Pink-
ham's Vegetable Compound has cer-
tainly done me a
world of good and
I cannot praise it
enough. I suffered
from irregularities,
dizziness, nervous-
ness, and a severe
female trouble.
Lydia E. Pinkham's
Vegetable Com-
pound has restored
me to perfect
health and kept me
from the operating
table. I will never be without this
medicine in the house." —Mrs. SAM'L
LEE, 3523 Fourth St., Louisville, Ky.

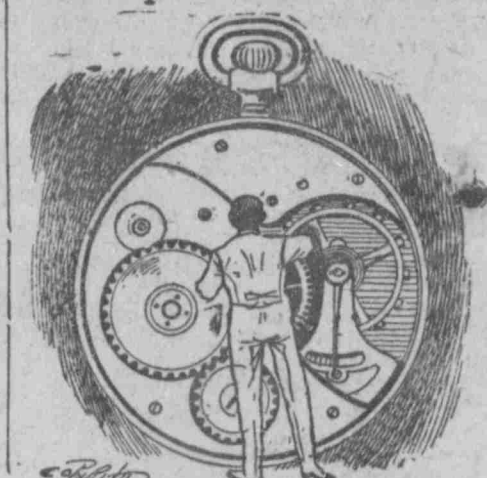

Another Operation Avoided.
Adrian, Ga. — "I suffered untold
misery from female troubles, and my
doctor said an operation was my only
chance, and I dreaded it almost as
much as death. Lydia E. Pinkham's
Vegetable Compound completely cured
me without an operation." —LENA V.
HENRY, R. F. D. 3.

Thirty years of unparalleled suc-
cess confirms the power of Lydia E.
Pinkham's Vegetable Compound to
cure female diseases. The great vol-
ume of unsolicited testimony constantly
pouring in proves conclusively that
Lydia E. Pinkham's Vegetable Com-
pound is a remarkable remedy for those
distressing feminine ills from which
so many women suffer.
